

Trēo™ 750

SMART DEVICE

Expert ease.

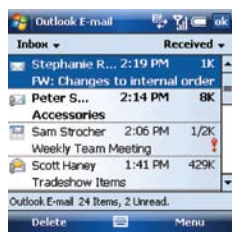

Windows Mobile® 6 with Palm® ease—at fast, broadband-like speeds.¹

The Palm® Treo™ 750 smart device goes where you go. It combines a GSM™ world phone, with wireless email and web access,¹ broadband-like speeds,² and Windows Mobile® 6—all with the ease you can only get from Palm. Review and edit business documents and access corporate data no matter where you are. Take a call while downloading your email.¹ And with Microsoft's Direct Push Technology built in, you can get your Outlook® email, including any changes to your Calendar, Contacts and Tasks in seconds.³ Or just kick back, play music, shoot photos, and surf the wireless Web?² With more than a decade of mobile computing experience, Palm makes it easy to do it all. Palm enhancements on the Windows Mobile platform bring you the familiar Treo experience many have come to depend on.

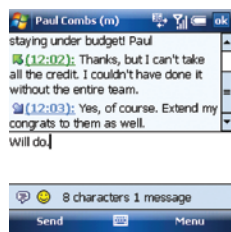

Quick facts
